Discovery Series:  
[Let's Pray](#)

As much as we want to talk to God, sometimes it's difficult to find words that express the emotions of our hearts. In this excerpt from his book *Praying the Prayers of the Bible*, author James Banks shares prayers from biblical characters to show us how we can use God's

own Word to talk to Him through every season of life. We are reminded that "He wants to bless us and draw us near with love that gives life to our souls," and we're encouraged to approach God just as we are with our praises and petitions.
